COMPUTER TECH SUPPORT

WHAT?

A class AND an internship!!! Students will have the opportunity to learn skills in a classroom environment, then use these skills while completing an internship in the Jefferson High School technology support/repair center. With 1:1 coming, many learning/training opportunities will be available!

WHEN?

We hope to recruit our first group of student support/repair technicians during class registration this fall.

WHO?

2016-2017 juniors and seniors.

WHY?

To learn the following skills:

- EXPLORE HOW COMPUTERS WORK
- LEARN HOW TO ASSEMBLE AND CONFIGURE A COMPUTER
- INSTALL OPERATING SYSTEMS AND SOFTWARE
- TROUBLESHOOT HARDWARE AND SOFTWARE PROBLEMS
- EVALUATE NETWORKING AND SECURITY CONCEPTS

HOW?

Indicate your interest in the program to your counselor OR contact Mr. Bechler in the Business Department: mbechler@lsc.k12.in.us OR GA2B.

WHY COMPUTER TECH SUPPORT?

- MEDIAN PAY = $48,900/year OR $23.51/hour

- 123,000 new jobs in computer tech support expected to open by 2022.
